

Parking at Cedar Park Middle School, Beaverton

The street along the north side of the fields, Park Way, has a grassy area between it and the fence.

→ THIS GRASSY STRIP IS A NO PARKING AREA. ←

Parking in this area jeopardizes our continued use of the fields at Cedar Park Middle School for both games and practices.

Here's a way you can tell if you're trying to park in a "wrong spot:"

If you are driving over a curb to get your vehicle somewhere, it is almost certainly not supposed to go there.

Park in the area circled in Green.

Do NOT park in the area circled in Red
